

# RESTAURANT OWNERS!

No matter what type of restaurant you have, you can help keep Lake Erie's water clean and healthy by taking these simple steps!

Grease trap

Restaurant grease in a river

Leaking dumpster into storm drain

Mop sink - Photo: Fiat Products

- Properly dispose of restaurant grease and clean your grease traps •
- Never dump restaurant grease or trash into a storm drain outside •
- Clean your equipment inside. Drain the dirty water into a mop sink or floor drain •
  - Cover and repair leaky dumpsters and trash compacters •
- Always empty wastewater and mop buckets into designated mop sinks •
- Pick up and properly dispose of trash and debris found on the floor inside and outside your restaurant •
