The Friends of Euclid Creek, in partnership with the Collinwood Rain Barrel Project and the City of Beachwood are sponsoring a Rain Barrel Painting workshop June 1st and 2nd for the adults and families. For the price of $60.00, which is the standard price for an undecorated rain barrel and downspout kit, anyone who would like to participate will be able to attend a two-day painting workshop conducted by the Collinwood Rain Barrel Project and Friends, with food and live music at the Beachwood Service Center June 1st and 2nd. Please hurry and sign-up below. The deadline for reservations will be May 24th and will be limited to the first twenty participants and their families. At the end of the two-day workshop, participants should have a beautiful, decorative rain barrel of their very own. Some of these “public” rain barrels may be selected to participate in, and, be placed on display at the art show in July and August.
